EO Solutions is recruiting Field Support Technicians (Printing and Scanning)

Job Description:

The job incumbents will be responsible for installation and support of printing and scanning equipment and platforms.

They will:

- ❖ Offer onsite and remote technical support, including repairs, to customers
- ❖ Provide installation services to our customers
- ❖ Follow guidelines and best practices and suggest improvements as required
- ❖ Ensure customer satisfaction while aligning to the company's objectives.

Profile of ideal candidate:

- ❖ HSC holder
- ❖ A Diploma in Electronics or any equivalent combination of education
- ❖ Good practical knowledge of electronics and/or printing and scanning equipment
- ❖ Good understanding of IT
- ❖ Good mastery of assembling and disassembling electronic equipment.
- ❖ A minimum of 2 years relevant work experience in a similar position
- ❖ Very good communication and interpersonal skills
- ❖ Dynamic, pro-active and pleasant personality
- ❖ Very good mastery of written and spoken English and French.

Employment Type: Permanent

Closing Date: 27th May 2022
